Anna Tsybuleva

A host of wonderful pianists awaits across the season, and after the deprivations of the last year and a half, this series offers fantastic opportunities to see and hear such distinguished pianists.

Beethoven runs like a thread through the series, appropriately enough following his 250th birthday last year. With new star Isata Kanneh-Mason, and past Leeds winners Federico Colli and Anna Tsybuleva in the mix, there is a feast of piano playing in Leeds to keep you going through the autumn and winter months. We look forward to welcoming you all to The Venue in Leeds Conservatoire.

All concerts start at 7.30pm
